125 g	Sugar
1 sachet(s)	Vanilla sugar
pinch(es)	Salt
80 g	Flour
45 g	Corn flour / starch
1 tsp	Baking powder

FOR THE CREAM

500 g	QimiQ Classic Vanilla, unchilled
250 g	Quark 20 % fat
60 g	Sugar
125 g	Mandarins, tinned and drained
125 ml	Cream 36 % fat, whipped

TO DECORATE

200 g	Raw marzipan (almond paste)
	Fruit jelly laces
	Food colouring
	Coloured chocolate beans

METHOD

1. For the sponge base, preheat the oven to 190° C (conventional oven).
2. Whisk the eggs, sugar, vanilla sugar and salt until fluffy.
3. Sift the flour, corn flour and baking powder together and fold into the mixture.
4. Pour into a cake tin lined with baking paper and bake in the hot oven for approx. 25 minutes. Allow to cool and halve horizontally.
5. For the cream, whisk QimiQ Classic smooth. Add the quark and sugar and divide the cream into two.
6. Add the mandarins to one half of the cream and spread onto a sponge base. Cover with the second base.
7. Fold the whipped cream into the second half of the cream and use to coat the outside and top of the cake. Chill for at least 4 hours (preferably over night).
8. To decorate, knead the red food colouring into half of the marzipan and use to make a nose and a mouth. Colour half of the remaining marzipan green for the bow tie and roll out the other half for the eyes (see photo). Paint the eye crosses with brown sugar icing and use two blue chocolate beans as pupils. Cut the shoe strings to make the hair and decorate the bow tie with coloured chocolate beans.
