

# PIZZA CHEESE TOPPING

## QimiQ BENEFITS

- Creamy consistency
- Deep freeze stable

## INGREDIENTS FOR 1478 G

<b>160 g</b>	QimiQ Cream Base
<b>320 g</b>	Yellow Cheddar Cheese
<b>20 g</b>	Corn flour / starch
<b>1 g</b>	White pepper
<b>50 g</b>	Sour cream 20 % fat

## METHOD

1. Chop the cheese and freeze slightly. Place the frozen cheese and other ingredients in a mincer and process to a paste.
2. Do not allow the mixture to become too warm in preparation.
3. Spread the pizza cheese topping onto dough of choice, and add topping as required.
