

CHOCOLATE CREAM WITH PEACHES

QimiQ BENEFITS

- Acid and alcohol stable
- Full taste despite less fat and cholesterol content
- Quick and easy preparation

10

easy

INGREDIENTS FOR 10 PORTIONS

500 g QimiQ Whip Chocolate, chilled

200 g Peaches, tinned and drained, pureed

1 small pinch(es) Cinnamon

600 g Peaches, tinned and drained, finely diced

METHOD

1. Lightly whip the cold QimiQ Whip Chocolate until completely smooth, ensuring that the entire mixture is incorporated (especially from bottom and sides of bowl).
2. Add the peach puree and cinnamon and continue to whip until the required volume has been achieved.
3. Pipe into glasses alternately with the diced peaches. Decorate as required and allow to chill.
