easy

## INGREDIENTS FOR 1 CAKE TIN 26 CM Ø

### FOR THE PASTRY

**200 g** Flour  
**100 g** Butter, softened  
**1** Egg(s)  
**2 tbsp** Powdered sugar  
Salt  
**2 tbsp** Lemon juice  
Butter, for the baking tin

### FOR THE FILLING

**250 g** QimiQ Classic, unchilled  
**4** Egg yolk(s)  
**100 g** Sugar  
**4** Egg white(s)  
**50 g** Sugar  
**80 g** Flour  
**20 g** Corn flour / starch  
Cinnamon, ground  
**500 g** Morello cherries, tinned and drained  
**10** Ladyfingers, crumbled  
Powdered sugar, to dust

## METHOD

1. Preheat the oven to 180 °C (conventional oven).
2. For the pastry: knead the ingredients together to form a smooth pastry. Wrap in cling film and allow to chill for approx. 30 minutes.
3. Roll out the dough and use to line the bottom and at least 3 cm high sides of a greased cake tin.
4. For the filling: whisk the unchilled QimiQ Classic smooth. Add the egg yolks and sugar and whisk until fluffy with a mixer.
5. Whisk the egg whites and sugar stiff. Mix the flour, corn flour and cinnamon together. Fold the egg white mixture alternately with the flour mixture into the QimiQ.
6. Add the crumbs to the cherries and mix well. Spread onto the pastry base and cover with the filling.
7. Bake in the hot oven for approx. 50 minutes (cover with tin foil to prevent burning if necessary).
8. Dust with icing sugar to serve.
