**450 g** Mushrooms

**15 g** Red onion(s), finely chopped

**15 g** Butter

Flat-leaf parsley, finely chopped

Salt and pepper

**1000 g** Chicken breast fillet

## METHOD

1. For the mousse, whisk QimiQ Classic smooth. Steam the white asparagus until tender and blend smooth.
2. Add the QimiQ Classic and seasoning to the white asparagus and mix well. Pour into a caterpillar flexipan mould and chill for at least 4 hours (preferably over night).
3. Slice the green asparagus into thin slices and blanch in salted water. Shock chill in iced water to retain the colour, pat dry and place on plastic wrap. Cut to shape, flip onto a plate and remove the plastic. Arrange the mousse on the asparagus.
4. For the dressing, blend the ingredients together until smooth.
5. For the salad, sauté the mushrooms and onion in butter. Add the seasoning, toss in the dressing and put to one side.
6. Cook the chicken breasts, slice and arrange with the salad and mousse on a plate. Serve decorated with blanched green asparagus, micro greens and fresh thyme.
