INGREDIENTS FOR 4 PORTIONS

600 g Cured shoulder of venison, chopped

3 tbsp Rapeseed oil

300 ml Red wine

600 ml Game stock

Salt and pepper

1 tbsp Corn starch

100 ml White wine

150 g QimiQ Classic, chilled

2 tbsp Gin

FOR THE PUMPKIN SPÄTZLE

500 g AP Flour

1 tbsp Salt

5 Egg(s)

500 g Pumpkin, cooked

2 tbsp Rapeseed oil

Salt and pepper

METHOD

1. Fry the meat in the oil. Douse with the red wine and add the stock. Season with the salt and pepper and cook for approx. 40-50 minutes.
2. Mix the starch into the white wine to form a smooth paste and then use to bind the sauce. Stir in the chilled QimiQ Classic and season to taste with the salt, pepper and gin.
3. For the pumpkin spätzle: mix the flour, salt and eggs together. Add the pumpkin puree (well squeezed and dry) and whisk in a mixer until bubbles start to form.
4. Pass through a spätzle sieve into boiling salted water and cook until the spätzle float to the surface. Remove with a draining spoon and place in cold water to cool.
5. Drain well and fry in a non-stick pan in oil until golden brown. Season with salt and pepper and serve with the venison.
