## INGREDIENTS FOR 4 PORTIONS

### FOR THE FISH DUMPLINGS

**250 g** QimiQ Classic, room temperature

**400 g** Fish fillet

**2 tbsp** Dry Vermouth

Salt and pepper

### FOR THE BEETROOT POTATOES

**500 ml** Beetroot juice

**500 ml** Water

Salt

**1 kg** Potatoes, small

### FOR THE WHITE WINE SAUCE

**125 g** QimiQ Sauce Base

**150 ml** Fish stock

**150 ml** Riesling white wine

Salt and pepper

Parsley, to garnish

## METHOD

1. For the fish dumplings: blend the QimiQ Classic, fish and Vermouth smooth. Season with salt and pepper.
2. Form small dumplings with a dessert spoon, place carefully in boiling water and allow to draw for 2 minutes. Remove with a draining ladel, pat dry with kitchen roll and keep warm.
3. For the beetroot potatoes: bring the beetroot juice, water and salt to a boil. Cook the potatoes in the beetroot water, drain and keep warm.
4. For the white wine sauce: bring the fish stock and wine to a boil and reduce. Season with salt and pepper. Stir in the QimiQ Sauce Base and continue to cook until the required consistency has been achieved. Blend until frothy.
5. Serve the fish dumplings in the white wine sauce with the beetroot potatoes garnished with parsley.
