

# CHOCOLATE CREAM WITH PEACHES

## QimiQ BENEFITS

- Acid and alcohol stable
- Reduced cholesterol and fat - full flavor
- Quick and simple preparation

10

easy

## INGREDIENTS FOR 10 PORTIONS

**500 g** QimiQ Whip Chocolate, chilled

**200 g** Peaches, tinned and drained, pureed

**1 small pinch(es)** Cinnamon

**600 g** Peaches, tinned and drained, finely diced

## METHOD

1. Lightly whip the cold QimiQ Whip Chocolate until completely smooth, ensuring that the entire mixture is incorporated (especially from bottom and sides of bowl).
2. Add the peach puree and cinnamon and continue to whip until the required volume has been achieved.
3. Pipe into glasses alternately with the diced peached. Decorate as required and allow to chill.
